New Nomenclature

The new Electric Chetak variants, with their longer range and other improved features, have been renamed using numeric titles to enable a stronger understanding of the product specifications.

C3501 C3502 C3503 C3001

The first two digits denote the battery wattage of the model. The "C35" and "C30" families comprise all Chetaks with battery wattages of 3.5kWh and 3 kWh respectively.
