PERFORMANCE UNMATCHED POWER

Never fall short when on the road. The **8.68 kW (11.8 PS)** powerful DTS-i engine and **10.8 Nm** torque gives an unmatched pick-up.

UNMATCHED HANDLING & STABILITY

The telescopic front and a 5-step Nitrox rear suspension provide great handling and stability. The contoured seats provide additional comfort to both rider and pillion.

| SAFETY

BEST-IN-CLASS FEATURES

Gear up for quicker braking on any surface with **240 mm ventilated front disc brake** along with anti-skid technology. A **1320 mm wheelbase** and tubeless tyres ensure further stability.
