## DESIGN

# THE TRUE THRILL ICON

Aerodynamic semi-fairing, ultra-stylish LED tail lamp, split seats, split rear grab rails, laser-edged graphics, deep carbon black silencer and colour coded alloy wheel decals all add to the vibrant style statement.

**PERFORMANCE**

# CARVE UP THE STREETS!

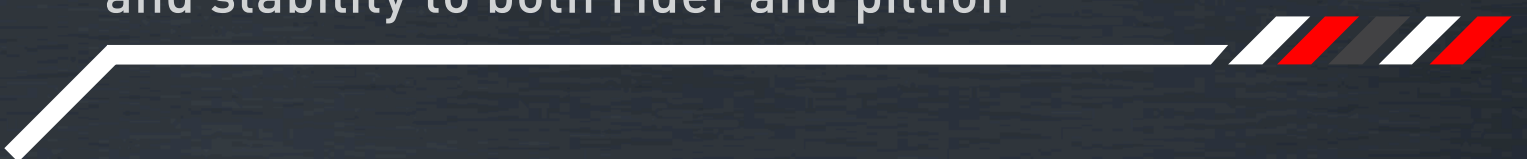

The true enthusiast's performance machine. This 220cc DTS-i engine delivers **15 kW (20.4 PS)** power and **18.55 Nm torque**, making it the one of the most powerful bikes in its category.

# TACKLE EVERY TURN WITH EASE!

The **telescopic front** and **5-step adjustable nitrox rear suspension** provide great handling and ride control. The contoured seats made from premium material provide additional comfort and stability to both rider and pillion

**| SAFETY**

# SUPERIOR RIDE CONTROL!

Equipped with **280 mm front, 230 mm rear disc brakes**, Single Channel ABS, broad rear tyre, front and rear tubeless tyres fitted on strengthened **5-spoke alloy wheels** to handle the raw power.
