UNADULTERATED THRILL

F250
THE SEMI-FAIRED STREET RACER

N250
THE NAKED STREET FIGHTER

BIGGEST PULSAR EVER

BEAST MODE ON

An advanced 250cc,
4-stroke Fuel Injected engine,
offers power on tap.

With an output of 24.5 PS and
a peak torque of 21.5Nm,
it takes the signature
'Pulsar rush' to the next level.

SCULPTURAL PURITY

The all-new aerodynamic Pulsar 250 commands attention.

CRYSTALLINE LED TAIL LAMPS

An evolution of the classic infinity design with a Ruby Crystal Dust Pattern, its bipartite LED tail lamps is equipped with luminescent elements for a striking visual.

FORM & DESIGN

STONE ON STONE

The dynamic interplay of metallised dual colours, darker in the front and lighter towards the rear, emphasizes the contours of the beast.

DETAILED TO AWE

Satin silver components, finished in metallic hues, in contrast to the deep copper engine cover, accentuate its aesthetic appeal.

FEATURES THAT MATTER

RAISE YOUR PULSE

Versatility at its purest, the thoughtfully added features are engineered for an exhilarating ride and next level performance.

LED PROJECTOR HEADLAMP

The bi-functional LED projector headlamp offers an unmatched illumination along with an astonishingly precise beam for improved safety.

INFINITY DISPLAY

The all-new console amps-up the style with minimal top bezels giving a clear and striking visual. It retains the 'Badge of Thrill' - the tachometer needle - as a nod to the golden age of performance motorcycling.

RANGE INDICATOR

Ride out on the streets without hesitation. The Range-Meter indicates the distance that can be travelled on remaining fuel.

GEAR POSITION INDICATOR

Race ahead in absolute control with poise and accuracy to achieve perfect gear shifts.

FEATURES THAT MATTER

ASSIST & SLIPPER CLUTCH

Crafted for maximal agility, it allows aggressive downshifting with confidence and an effortless clutch pull.

NITROX MONOSHOCK SUSPENSION

The advanced rear suspension ensures pinpoint handling and balance without compromising on the rider's comfort.

USB MOBILE CHARGING

Stay in charge while on the go with a seamlessly designed charging point on the tank flap.

SAFER & SURER

Power meets precision to spark that extra confidence to go all-out and tame every challenge.

REVERSE BOOMERANG PILOT LAMPS

The gaze that asserts power and keeps dangers at bay.

The signature wolf-eyed unit gets further enhanced with flanking reverse-boomerang Pilot Lamps which establish presence on the road.

ULTRA-SAFE BRAKING PERFORMANCE

Unleash the power of precision with 300 mm front and 230 mm rear, bigger-disc brakes and an advanced ABS technology.

STRONGER GRIP

Experience unwavering stability and grip on any terrain with wider front and rear tubeless tyres and strong 5-spoke alloy wheels.

TECHNICAL SPECIFICATIONS

CATEGORY	SPECIFICATION	PULSAR 250
ENGINE	Engine type	Single cylinder, 4 stroke, SOHC, 2 Valve, Oil cooled, FI
	Displacement (cc)	249.07
	Max. Power (PS @ rpm)	24.5 @ 8750
	Max. Torque (Nm @ rpm)	21.5 @ 6500
	Transmission	Constant mesh 5 speed
DIMENSIONS	Wheel base (mm)	1351
	Seat height - rider (mm)	795
	Ground clearance (mm)	165
	Kerb weight (kg)	F250 - 164 N250 - 162
	Fuel tank capacity (litres)	14
BRAKES TYRES & SUSPENSION	Brake system (mm)	Front - 300 with Single channel ABS Rear - 230
	Tyres (Tubeless)	100/80-17 Front 130/70-17 Rear
	Suspensions (mm)	Front Telescopic (37) Rear Monoshock with Nitrox
ELECTRICALS	Console features	Gear indicator, Clock, Fuel efficiency, Range indicator
	Headlamp	Bi functional LED projector headlamp with position lamp

COLOURS

TECHNO GREY

RACING RED

Both models are available in these colours.
