

THE ALL-NEW
GLAMOUR*X*

**INDIA'S MOST
FUTURISTIC 125cc**

POWERED BY
AERA
TECH

POWERED BY
AERA
TECH

The future doesn't wait.

It moves fast, thinks smart,
and expects everything to keep up.

It's fluid, responsive, and intuitive.
Just like your ride should be.

And that's exactly what Glamour X delivers.

This is a 125cc built to anticipate.

Ride Modes that change with your mood.

Cruise Control that holds your rhythm.

An adaptive console that responds to light,
speed, and your needs in real time.

It's power with precision.

Comfort with confidence.

Style that commands attention.

Everything about Glamour X is
designed to move with you.

Because this is not just a bike that looks to the future.

This is a bike that belongs there.

Presenting

Glamour X. India's most futuristic 125cc.

BUILT TO MOVE THE FUTURE.

Ride-by-Wire tech that adapts throttle response for smooth, precise power across every mood and terrain.

1st in segment

POWERED BY
AERA
TECH

Advanced Electronic Ride Assist Technology.

CRUISE CONTROL

1st in segment

Enables to hold steady speed (29-81 km/h) to reduce fatigue and boost fuel efficiency.

1st in segment

RIDE MODES WITH EBT

Switch between modes for peak performance and fuel efficiency, wherever you ride.

3 MODES. ONE FUTURE.

Personalized riding for every kind of day.

ECO MODE – MAX MILEAGE

Built for saving every drop of fuel for economical journeys.

ROAD MODE – MAX BALANCE

Made for every day, intelligently adapting to give you the perfect balance of power and efficiency.

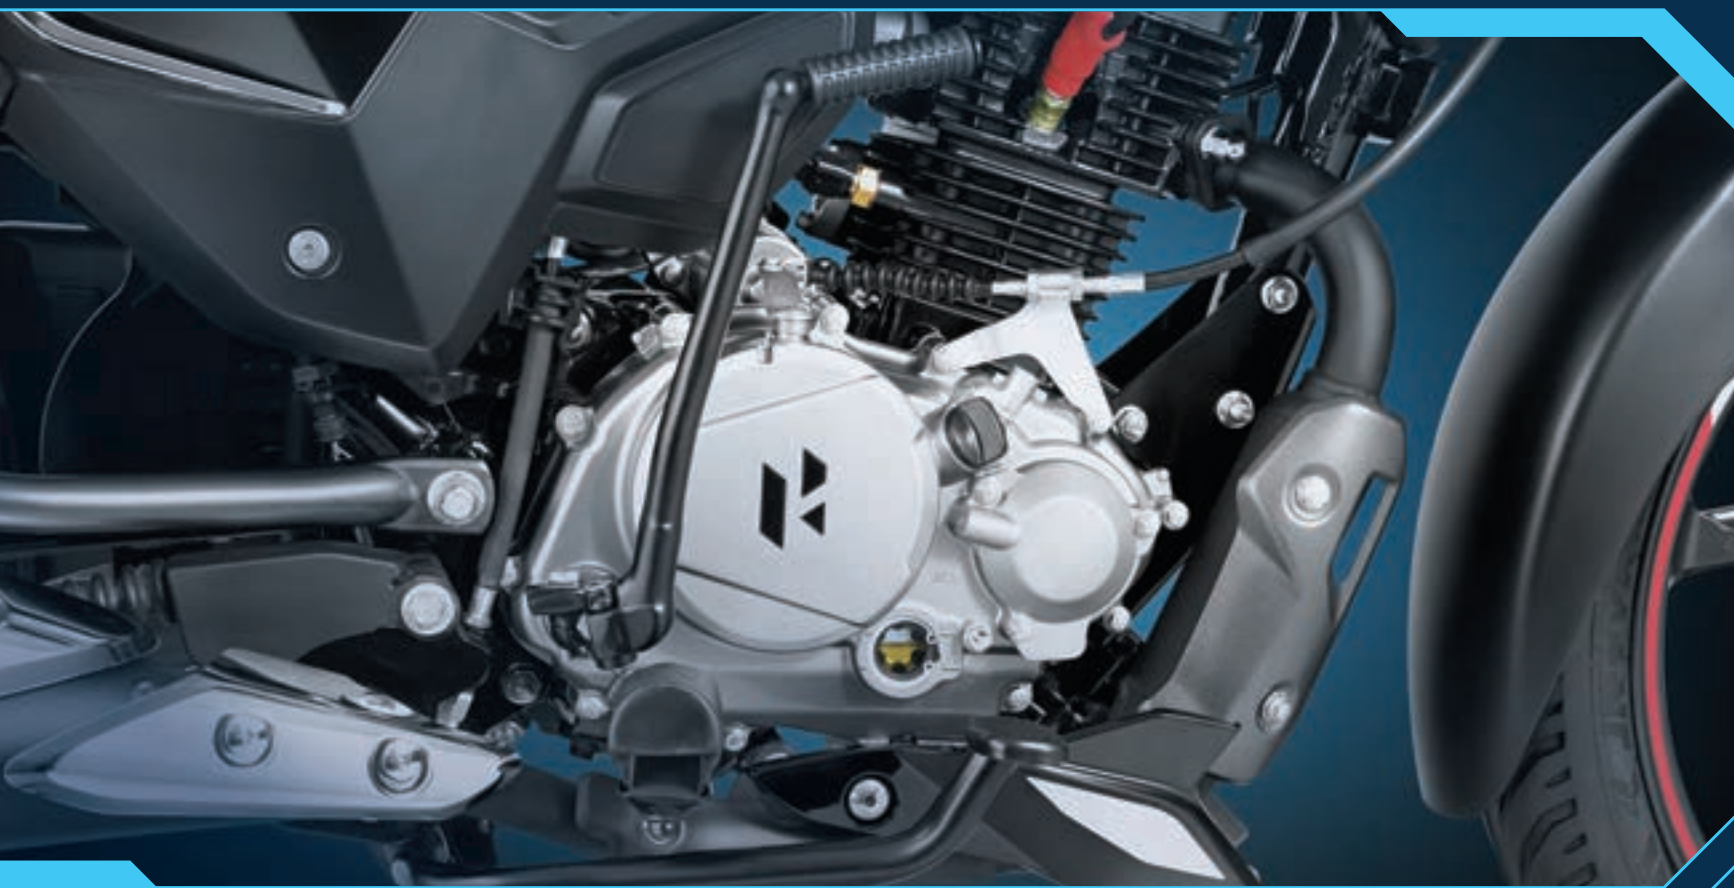

POWER MODE – MAX THRILL

Geared for pure excitement, unleashing next-gen performance for an exhilarating riding experience.

PERFORMANCE OF THE FUTURE.

Intuitive performance that is perfect for stop-and-go rides or open roads.

SPRINT EBT ENGINE

Smooth Power Response and Instant Torque delivers 11.4 BHP (8.5 kW) Power @ 8250 rpm and acceleration of 0-60 km/h in 5.7sec.

SUPERIOR RIDE PERFORMANCE

Engine Balancer Technology is engineered with balancer gears and silent cam chain for low NVH and optimized power output.

SIGNATURE EXHAUST NOTE

Listen to the soundtrack of the future with the bassy and unique exhaust note.

BUILT TO STEAL GLANCES.

Muscular. Sculpted. Glamour X doesn't ride quietly into the future, it roars in with presence.

MUSCULAR DESIGN

Muscle exactly where you need it.

SPORTY GRAPHICS

Inspired by motion and attitude.

 **Best in segment**

ALL - LED LIGHTING PACKAGE

Full LED Headlamp with integrated positioning lamp gives a wide and long white light spread. Its sleek LED Tail Lamp and LED wipers epitomize style and enable safe riding.

YOUR WINDOW TO THE FUTURE.

Big 10.7 cm adaptive multicolour console that thinks like you. It adjusts the brightness according to ambient light and puts the future in front of you.

MULTI INFORMATION DISPLAY

With 60+ features like Gear Shift Advisory, Distance to Empty, Average Fuel Efficiency, Real Time Mileage Indicator, i3s display, date and clock.
