NEW AGE CAPABILITIES

LED Headlamp

Providing brighter, more focused light, the LED Headlamp enhances safety and visibility, especially at night or in low-light conditions.

Horizon Digital Console with LFI

This smart digital screen clearly displays essential information like speed and fuel level. The Low Fuel Indicator (LFI) lights up to warn you when fuel is low, helping you plan your next stop. It instils confidence, empowering you on your journey to conquer new challenges.

New Premium Graphics and Funk Lime Colour

These striking visual updates make your bike stand out. The fresh graphics and bold colour schemes appeal to new India's young riders, offering a stylish and contemporary design that reflects their dynamic spirit.

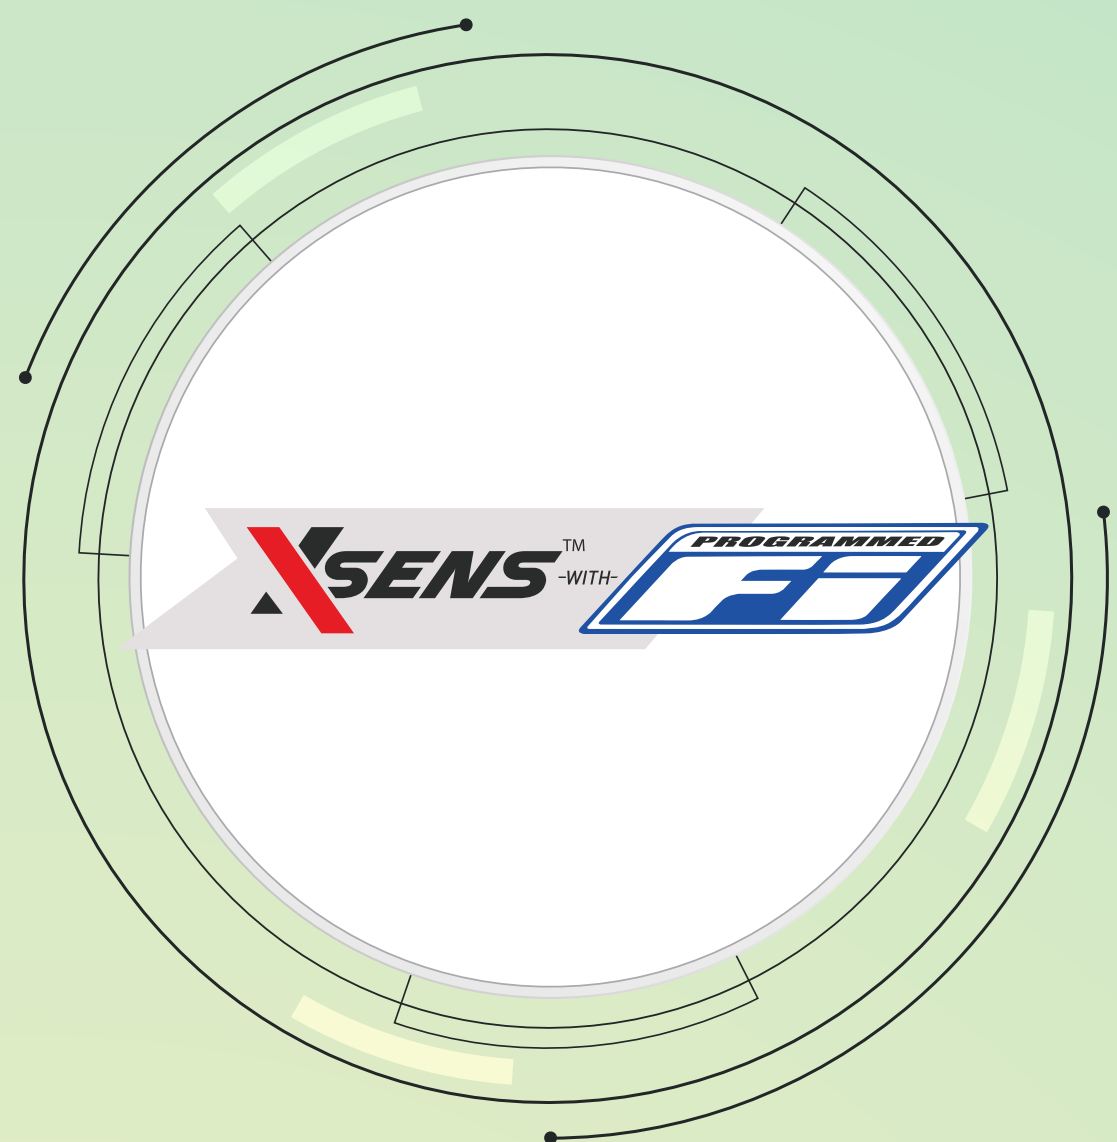

IMPROVED MILEAGE

The **HF Deluxe Pro** allows for longer rides on a single tank, making it a more economical choice than the competition and previous versions. It's the right bike for daily commutes, long journeys, and every road that leads to a better tomorrow.

Intelligent Sensor

Modern technology enhances mileage, pickup capacity, and provides more power for a comfortable and carefree ride.

i3s Technology

Smart i3s technology plays a crucial role in fuel efficiency. It automatically turns the engine on and off at traffic lights, saving unnecessary fuel consumption.

9.6 L Fuel Tank

A large fuel tank that allows continuous travel without stopping, providing freedom for long journeys.

UNRIVALED STRENGTH

112 Kg Kerb Weight

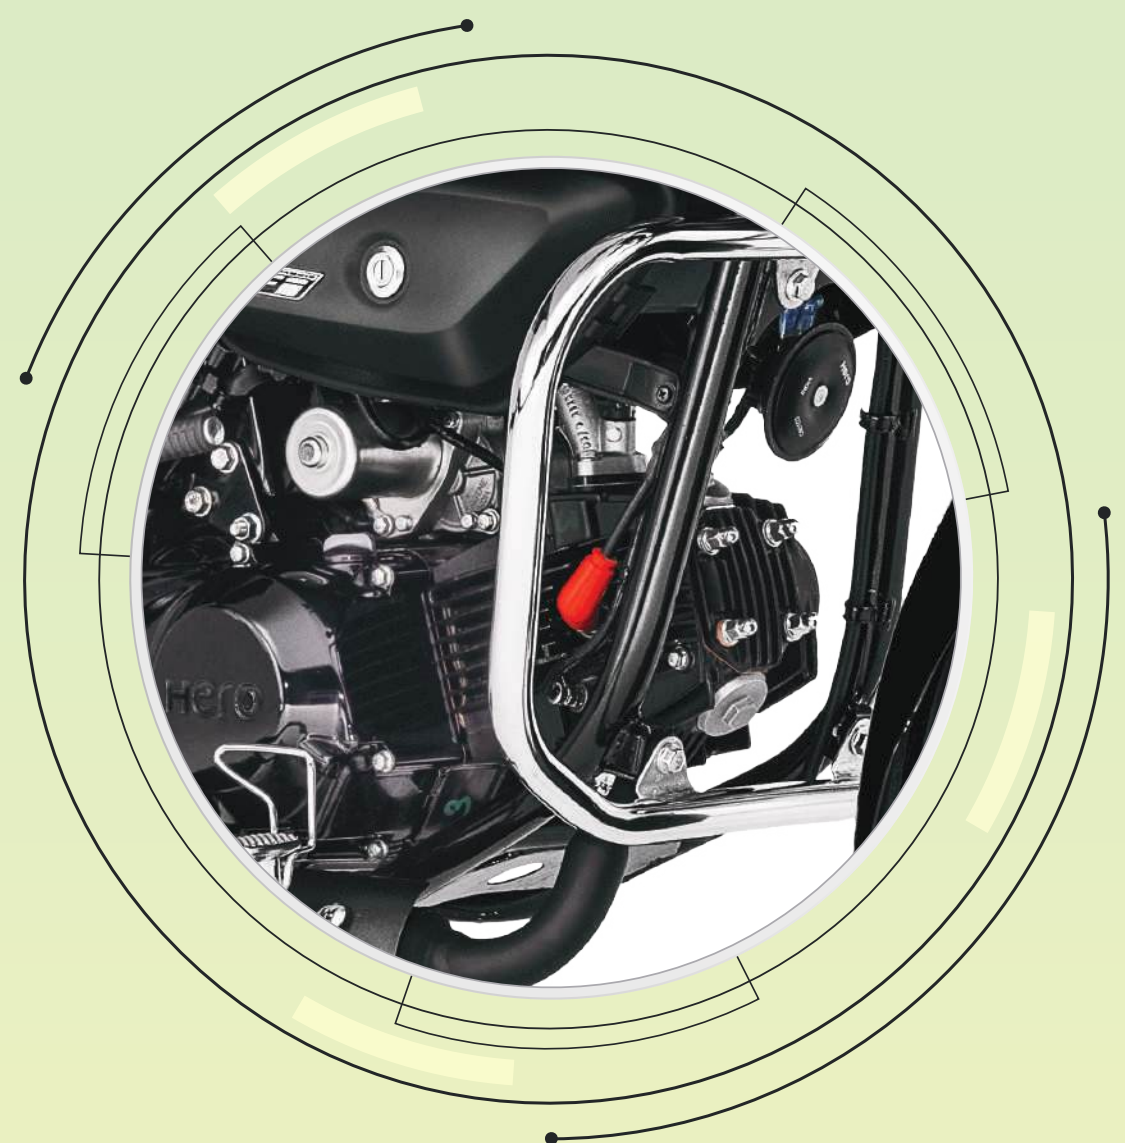

HF Deluxe boasts impressive kerb weight, offering incredible strength and balance.

Powerful Engine and Excellent Performance

5.9KW Powerful Engine

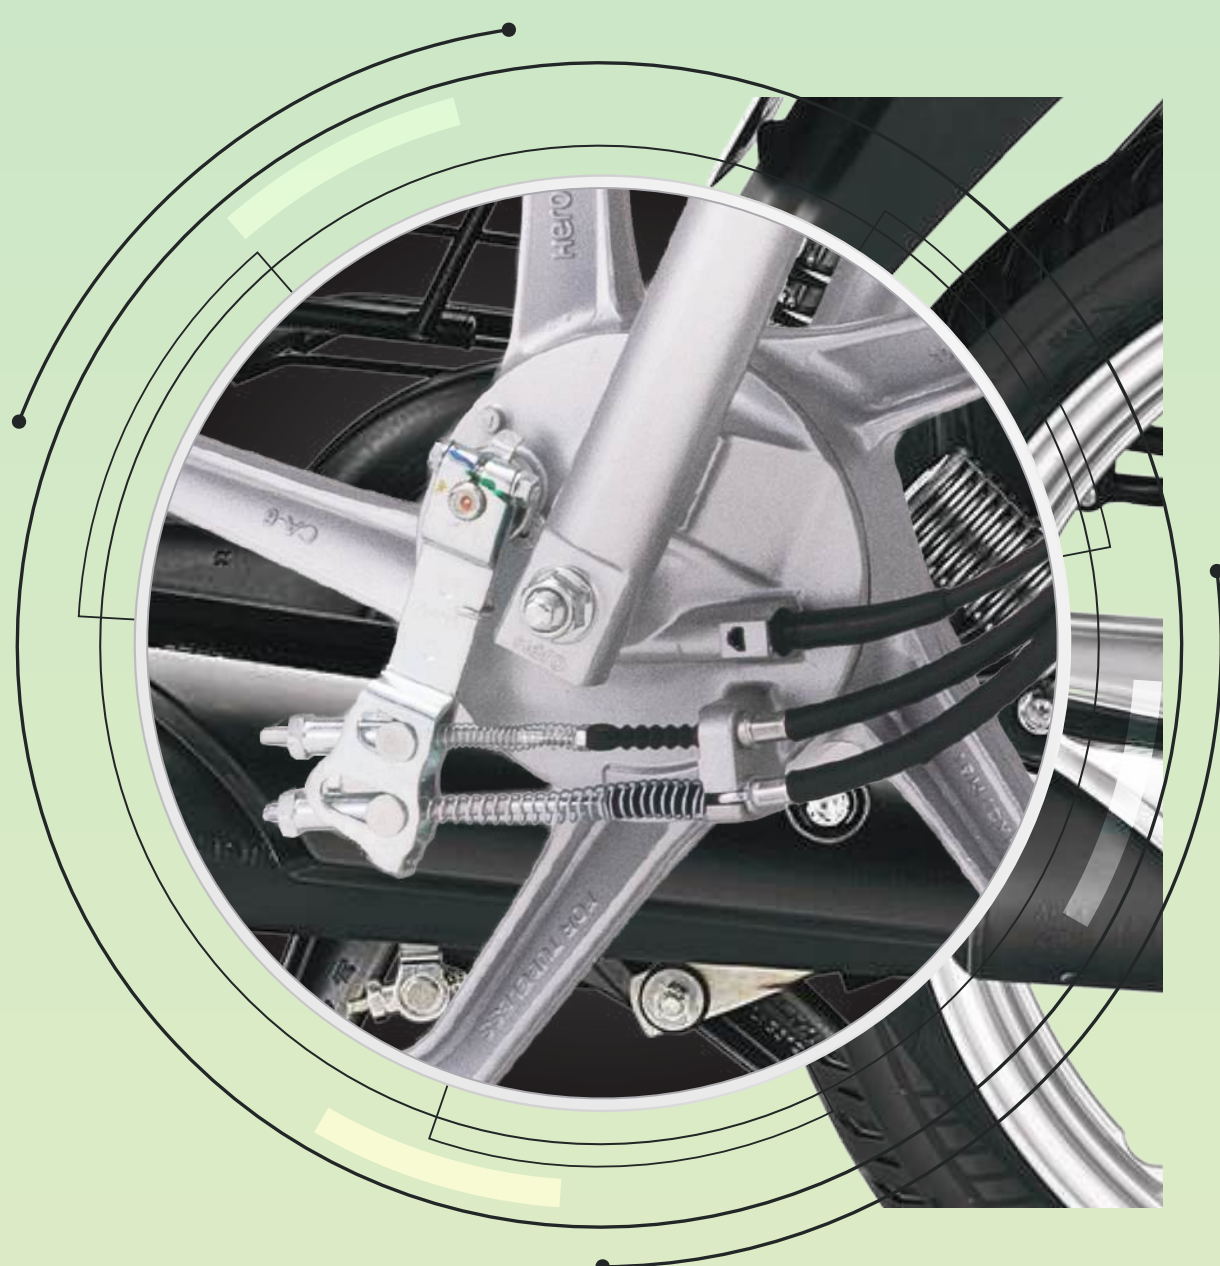

Provides strong pickup and load capacity.

SUPERIOR SAFETY

Tubeless Tires

Make every ride safer, even if the tires puncture, you can travel a safe distance.

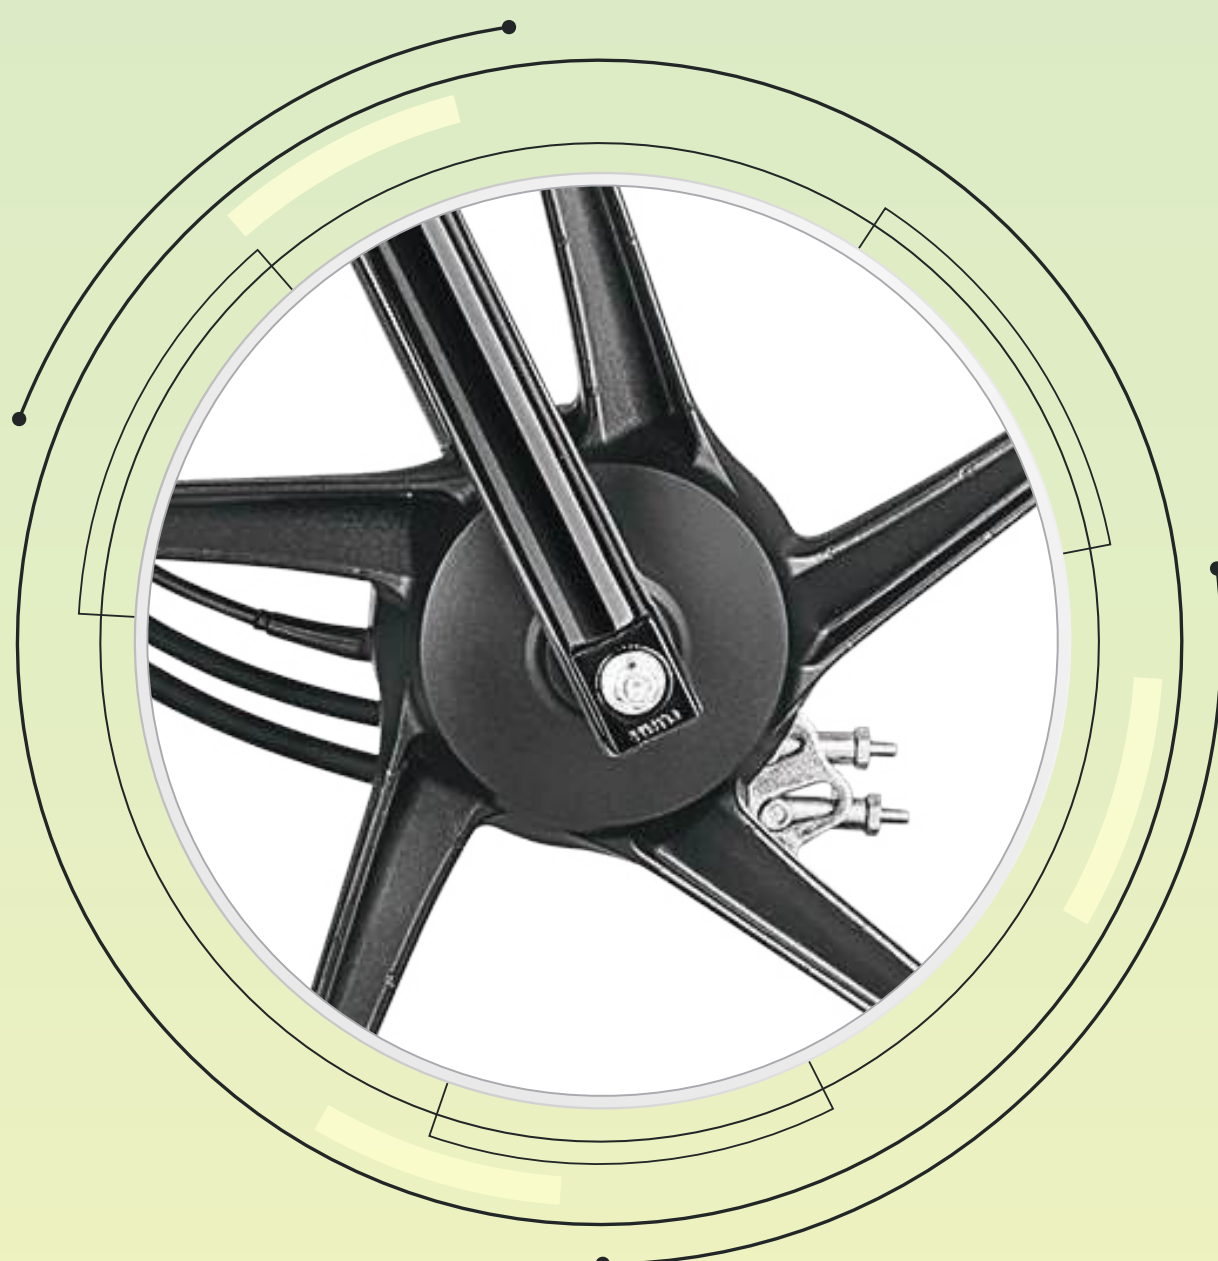

130mm Front and Rear Brakes

Ensures superior control, enhanced riding confidence, and maximum safety on every road and turn.

Integrated Braking System

The integrated braking system technology ensures more skillful braking for a safer ride.

Stable Front Tire

HF Deluxe comes with an 18-inch wide front tire, making the ride more stable and comfortable.

Leg Guard

Plays a crucial role in keeping the rider safe during accidents and protecting the bike from dents.

Side Stand Indicator Cluster

Ensures rider safety with the side stand indicator on the instrument cluster. Lifting the stand before starting the bike can prevent accidents.

COMFORTABLE JOURNEY

733mm Long Seat

Designed keeping the rider in mind, it enhances rider and passenger ride comfort.

2-Step Adjustable Suspension

This feature helps adjust the suspension to suit the load for a comfortable ride.

Better Service Interval

HF Deluxe's excellent performance allows freedom from frequent servicing. Now, service your bike only once every 6 months.
