*CHALLENGE
THE EXTREME*

The world has a comfortable pace. People live their lives, time passes, and the world goes on.

But every once in a while, there comes a challenger who shakes things up and goes the extreme way.

A challenger who refuses to stay in shackles. A challenger who dares to break every single one of them.

With first-in-class single-channel ABS, all-LED setup, and best-in-class acceleration,
