Full LED Headlamp and Tail Lamp with Fire-Ring Type LED Winkers

Light up your route. _____

Light up your journey brighter than before with these circular full LED headlamps and fire ring-type LED winkers, adding a touch of class to your ride.

E20 compliant

Responsible mobility. _____

Promoting cleaner and more sustainable mobility, supporting a greener future.

Dual-Channel ABS

Always in control. _____

The CB350C boasts dual-channel ABS, featuring a large 310mm front-disc brake and a 240mm rear-disc brake to maintain control even in emergency braking situations.

Front Suspension Cover & Long Muffler

Timeless aesthetic. _____

Elevating its strong and massive stance, the front suspension proudly wears metallic covers on its upper part. The long chrome muffler serves as the authentic soul of the CB350C's retro design.

Assist Slipper Clutch

Seamless control, effortless riding.

Experience effortless clutch control with the assist function and prevent rear-wheel hopping while downshifting with the slipper function.

Robust Tank Aesthetic

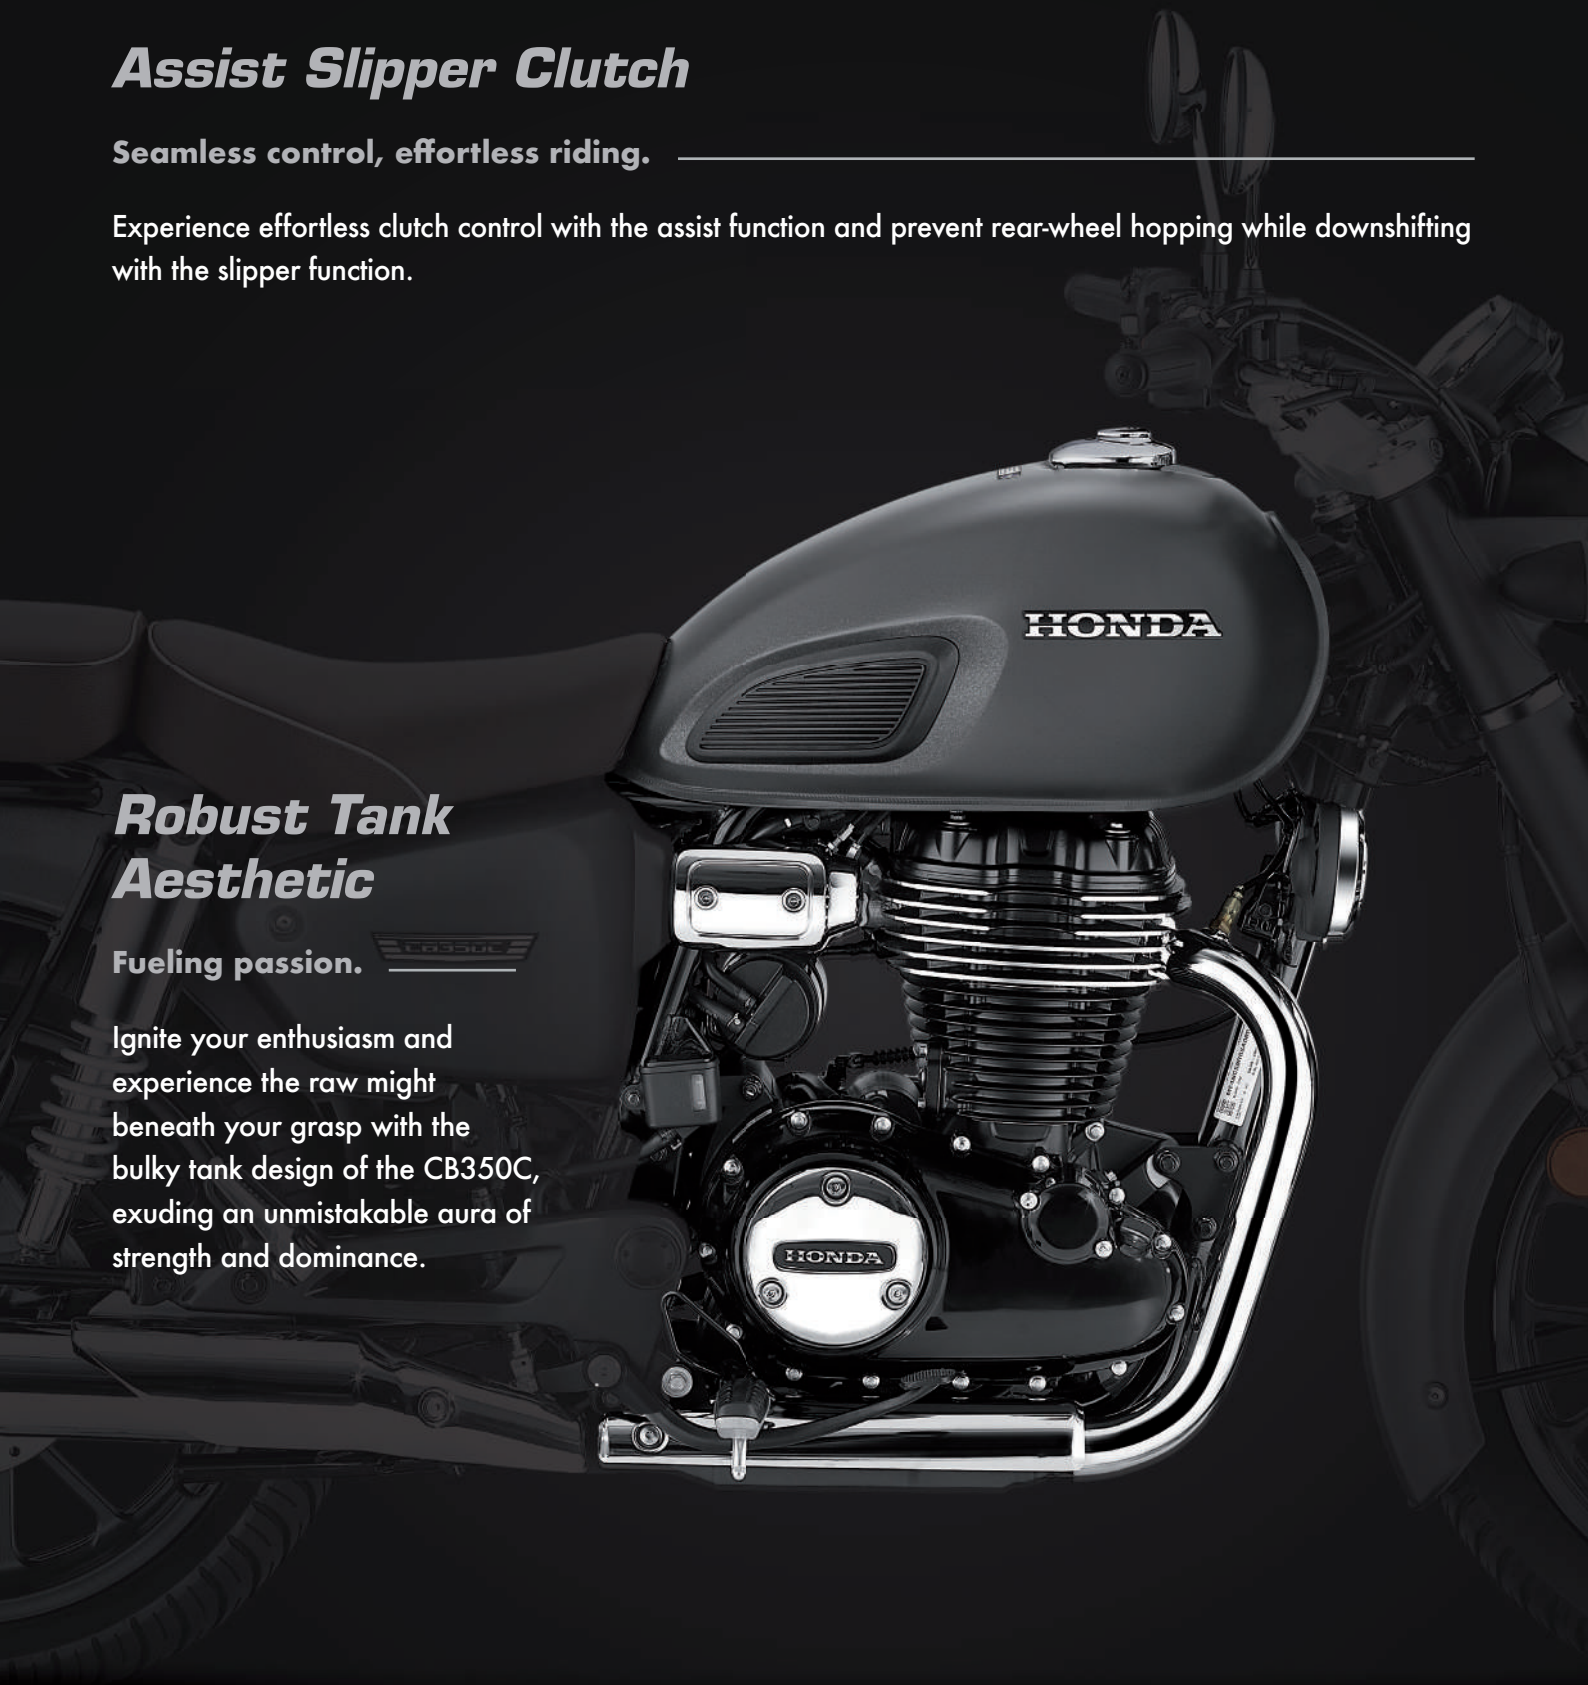

Fueling passion.

Ignite your enthusiasm and experience the raw might beneath your grasp with the bulky tank design of the CB350C, exuding an unmistakable aura of strength and dominance.

Powerful 350 cc Engine

Take the roads with power.

Unleash the power of 350cc air-cooled, 4-stroke OHC single-cylinder engine for exhilarating acceleration and riding pleasure.

Roaring Exhaust Note

Thump it up. _____

Your CB350C emits a distinctive throb, creating a rich and distinctive exhaust note.

Split Seat

Retro meets massive. _____

The split seat design gives a retro touch and provides ultimate comfort for both the riders.

Long and Wide Fenders

Crafted with precision. _____

Stay stylish and clean with these retro fenders that are a reflection of timeless aesthetics, designed to shield you from dirt and debris.

Honda Selectable Torque Control (HSTC)*

Powering your ride with
enhanced security. _____

The HSTC* system maintains tire-to-surface traction, preventing slips and enhancing control.

Side Stand with Engine Inhibitor

Stand bold, ride on. _____

No looking down to check your side stand, a glance on your meter is enough. Additionally, the inhibitor function restricts the engine from starting if the side stand is down.

USB TypeC _____

Honda RoadSync

Take command of your ride. _____

Honda RoadSync links your phone to the bike via Bluetooth, allowing you to handle calls, read messages, play music, navigate, and check the weather on the go. It can be easily operated by a handle-mounted switch unit supported by voice prompts.

Engine Start/Stop Switch

Power at your fingertips. _____

The CB350C is equipped with an engine start/stop switch for added convenience, allowing the rider to start and stop the engine with a simple flick of the same switch.

Hazard Switch

Safety in flash. _____

Flashing indicator lights provide a crucial safety feature for emergency stops and low visibility situations.

ESS (Emergency Stop Signal)

Always keeps you safe. _____

Honda CB350C's Emergency Stop Signal not only keeps you safe but extends its protection to fellow riders on the road.

CB350C

SPECIAL EDITION

A SPECIAL EDITION OF BOLD.

The moment you take the Honda CB350C Special Edition for a ride, the road becomes your runway. Every stripe, every chrome detail, every curve is more than just a design element; it's a reflection of the boldness you carry all the way. Sink into the seat, twist the throttle, and feel that boldness surge through every move you make and every turn you take. This isn't just another motorcycle. This is your Bold Move.

BOLD NEVER LOOKED THIS BOLD.

Bold has a new face. The Honda CB350C Special Edition is here with striking details, signature accents, and that extra boldness to redefine your ride.

Rear Grip in Chrome

Bold is in your hands.

Stripes on Side panels

The mark of boldness.

Stripes on Front & Rear Fender

Bold from every angle.

Stripes on Tank

Power just got bolder.

Special Edition Sticker on Tank

Own a piece of bold.

BOLDER RIDES. BOLDER SHADES.

Mat Dune Brown

Rebel Red Mettalic

THREE VARIANTS. ONE BOLD RIDE.
