DO YOU DARE?

THE TRUE MEANING OF ADVENTURE

The best way of experiencing adventure is by pursuing it. Charging harder, faster, and further in search of more extreme thrills and challenges. KTM develops its Travel range for those who dare to experience adventure in all its unfiltered, brutal, and exciting reality.

Each model is developed with lessons learned from KTM's success in the most challenging rally races on the planet. This makes them highly capable machines that put the rider in full control – even when leaving their comfort zone far behind them. Bikes for those who measure the adventure by the thrill of the ride itself.

890 R

Dare to venture off the beaten track and take the more extreme shortcut with KTM's most offroad-capable travel machine.

**DARE TO JUMP INTO
THE UNKNOWN**

TAKE THE MORE EXTREME SHORTCUT

KTM 890 ADVENTURE R is the most travel-capable offroad bike available. It is a serious adventure weapon for the most extreme escapes far off the beaten track. Designed to be rugged and built to be tough, it is for those who want to explore the more challenging natural contours mother nature has to offer. Armed with 240 mm of reworked WP XPLOR suspension, 100 Nm of "go anywhere" torque, advanced rider-focused technology, and all-new rally-inspired bodywork, this hardcore adventurer is undoubtedly the midweight master of offroad travel.

KTM 890 ADVENTURE R

TECHNICAL FEATURES

This **KTM 890 ADVENTURE R** has all the attributes to ride harder, or ultimately, adventure harder. It draws on KTM's vast rally knowledge and experience to deliver a real-world package aimed at riders who want to explore the extreme outer limits of every adventure.

Reworked bodywork based on KTM 450 RALLY REPLICAS

20 L tank with up to 450 km fuel range

New 5" TFT display with better menus, USB & pictograms for travel ease

4 riding modes with adjustable ABS & optional RALLY mode

OFFROAD ABS linked to OFFROAD mode & RALLY (optional)

Full rider aids in DEMO setting for first 1,500 km

Low windshield for offroad use, MITAS ENDURO TRAIL+ tires

New handlebar switch with hazard warning, crash-proof

KTMConnect app with Turn-by-Turn+ navigation (optional connectivity unit)

890

Dare to leave your comfort zone and take on wilder adventures with KTM's most versatile travel machine.

TAKE ON WILDER ADVENTURES

The **KTM 890 ADVENTURE** is a serious offroad-capable travel bike built to take riders to the ends of the earth and back. It is for hardcore long-distance travelers who find adventure in the ride itself. Riders who demand a compact and lightweight machine with the right power and fuel range to take on longer, wilder journeys. It is designed to be a rugged travel companion with the street credentials to shred for endless miles on bitumen, as well as a competent offroad machine that allows you to power on when the asphalt ends. Featuring reworked adjustable suspension, improved seat comfort, and wind protection, the **KTM 890 ADVENTURE** is ready for you to leave your comfort zone.

DARE TO LEAVE YOUR COMFORT ZONE

KTM 890 ADVENTURE

TECHNICAL FEATURES

The **KTM 890 ADVENTURE** is a long-distance travel machine with the essence of offroad performance motivating its extreme approach to adventure touring. It is a bike capable of tearing down dirt roads, equally as impressively as it shreds along tarmac. Sporty and versatile, it is ready for action wherever the road leads.

Improved ergonomics & bodywork for comfort & protection

New 5" TFT display with better menus, USB & pictograms for travel ease

Adjustable WP APEX forks (compression and rebound) with reworked settings for comfort

OFFROAD ABS linked to OFFROAD mode & RALLY (optional)

1,500 km demo setting for all rider aids

New windshield for improved airflow & reduced buffeting

New PIRELLI SCORPION STR tires for offroad focus

Handlebar switch with hazard warning

Upgraded engine protector

Travel-ready with two-part, adjustable seat & low fender

7900

Dare to take an unplanned, wide-open escape and have some serious fun on KTM's most accessible midweight Adventure.

**DARE TO TAKE AN
UNPLANNED ESCAPE**

ENTER THE KTM TWIN-CYLINDER ADVENTURE WORLD

The return of the **KTM 790 ADVENTURE** to the lineup adds yet another dimension to the brand's midweight Travel offerings. Updated, reshaped, and refined, this latest version of the original model is the ideal package for those wanting to step into KTM's exciting world of twin-cylinder exploration. It is great for riders who want enough power to get their adrenaline pumping, but paired with the modern, ride-enhancing electronics that help them keep things under control. With 200 mm of premium WP suspension and an exciting 95 hp (88 Nm) driving the adventure forward, this is a fitting option for the young at heart.

KTM 790 ADVENTURE

TECHNICAL FEATURES

The **KTM 790 ADVENTURE** is a versatile and capable entry to the midweight travel segment. It features a lightweight design, powerful 789 cc engine, and advanced WP suspension developed for multi-terrain performance. Whether you're charging off to work or an impromptu weekend escape, this all-round explorer has what you need to get your heart racing.

High-level tech specs offering great value. Assembled in China under KTM supervision

20 L tank, up to 450 km fuel econ.

New 5" TFT display with better menus, USB & pictograms for travel eases

Better rideability thanks to 20% increased rotating mass compared to the predecessor 790 cc LC8c engine

New ABS modulator, linked to OFFROAD mode and RALLY (optional)

1,500 km demo setting for rider aids

Improved airflow windshield, reduced helmet buffeting

New PIRELLI SCORPION STR tires, good for daily & weekend rides

New handlebar switch, hazard warning

Low center of gravity, new engine protector = crash-proof

KTMConnect app: Turn-by-Turn+ navigation with optional connectivity unit

KTM ADVENTURE RALLY

Join us for an unforgettable experience on the **KTM ADVENTURE RALLY** in one of several dream riding locations across the globe. Exclusive to KTM customers, you will get to feel the KTM spirit and discover the true

meaning of adventure as you charge down epic dirt roads, power through uncharted forests, conquer challenging terrain, and, most importantly, share it all with like-minded riders.

CONQUER THE GLOBE - CONTINENT BY CONTINENT

Meet brand legends, ambassadors, and factory racers at these exclusive KTM events. Head out with them on epic self-navigation or guided tours and get a true sense of KTM's brand values. Challenge yourself to become a regular at your local Adventure Rally, and to experience others at different iconic locations across the globe.

Visit the **KTM ADVENTURE RALLY** page for more info.

THE RALLY CONNECTION

“When winning is built into your DNA, being the best is not simply a desire, it is expected!”

KEVIN BENAVIDES,
2023 DAKAR RALLY winner.

KTM's dominance in the Dakar Rally is legendary, with Kevin Benavides' win in 2023 further confirming this. Together with Toby Price's 2nd overall, the brand's podium supremacy once again highlights its strength and capabilities in conquering miles and miles of challenging terrain. The insights gained in the world's toughest rallies find their way into the DNA of the formidable Adventure range. This translates directly into the development of high-performance travel-enduro machines for hardcore adventure enthusiasts.

DARE TO ADVENTURE

19 WINS – KTM's dominance in the Dakar Rally provides an incredible platform for driving forward the development of its highly capable Adventure range. With a heritage so entrenched in racing across the toughest landscapes on the planet, KTM is constantly able to deliver performance leaders that allow you to experience two-wheeled adventures in the best way possible.

This experience has never been better or easier to access. Choose from a broad global dealer network, gear-up in KTM PowerWear, intensify your ride with KTM PowerParts, enjoy the ease of KTM finance, all while taking comfort in its extended warranties and mobility service.

WHAT ARE YOU WAITING FOR?

KTM FINANCE*

Financing your ride couldn't possibly be any easier. With KTM's finance partner, finding yourself seated on the bike of your dreams is simpler than you could've ever imagined. Motorcycle-specific, customized finance solutions enable you to race off in no time. Contact your authorized KTM dealer for more information.

EXTENDED WARRANTY*

Race off in confidence with the KTM Extended Warranty. It gives you the chance to add an extended warranty package to extend the manufacturer's warranty by a further 12 or 24 months before the warranty period expires. You can continue to extend your warranty to up to 12 years or 80,000 km in total. Once covered, claims can easily be made via your authorized KTM dealer to ensure the best possible service. Warranties on the bike can also be transferred upon change of ownership, so new or used, ride your KTM with peace of mind.

MOBILITY SERVICE*

The KTM Mobility Service keeps you safe at every turn with 12 months protection free of charge. It can be renewed for free for 12 months at a time with each annual service at an authorized KTM dealer, up to the lifetime of the bike**. Thanks to a vast and professional assistance network, breakdowns are worry-free as the KTM Assistance Center is available 24 hours a day, 7 days a week, 365 days a year, all over Europe. Always keeping you READY TO RACE. See more details on www.ktm.com/mobilityservice.

*KTM Finance, Extended Warranty and KTM Mobility Service might not be available for all markets. Please ask your local authorized KTM dealer about the offers and conditions in your country.

**The definition of lifetime for single-cylinder vehicles: max. 50,000 km or 8 years, whichever comes first; for twin-cylinder vehicles: max. 80,000 km or 8 years, whichever comes first.
